SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

Pursuant to the duty of disclosure under 37 CFR §§ 1.56, 1.97. and 1.98, applicant submits herewith a Supplemental Information Disclosure Statement (IDS) accompanied by the Form PTO-1449 along with the legible copies of the non-US patent documents referenced therein. These prior art references have been cited in the Office Action issued by the Japanese Intellectual Property Office in the counterpart Japanese Patent Application No. 2003-517702 on April 4, 2006 (a copy of the Office Action is attached herewith) and, further, in the Supplementary European Search Report (ESR) issued in the related European Patent Application No. 02 750 314.3-2202 (copy of the ESR is attached herewith).

Since the Patent Office has waved the requirement under 37 CFR § 1.98(a)(2)(I) for submitting a paper copy of each cited US Patents and US Patent Application Publication, enclosed herewith are only the copies of non-US Patent documents referenced in this IDS.

Because the documents submitted herewith are in the English language or accompanied

by the English language abstracts, no concise explanation of their relevancy is required, as pointed out in 37 CFR §1.98 (3)(I).

Inasmuch as each item of information contained in this Information Disclosure Statement was first cited in the above mentioned Office Action and in the ESR not more than three months prior to the filing of this statement, this information is believed to be timely filed under 37 CFR 1.97(c)(e)(1). Accordingly, consideration of the enclosed references is deemed proper, and therefore respectfully requested.

Further, in view of the above, no fee is deemed necessary in connection with the filing of this communication. However, if any fee is required, authorization is hereby given to charge the amount of any such fee to the Deposit Account No.07-1730, Docket No. 3053-040. A duplicate copy of this page is attached for that purpose.

Respectfully submitted
